About us

From Multiple Visions to One Trusted Brand

The journey of Mugnee Service Limited began in 2014 under the name Mugnee Multiple, with a vision to create employment opportunities and serve the nation through versatile service offerings. From the very beginning, our goal was clear – to become a reliable partner in manpower outsourcing, supply chain, and institutional support.

Over the years, our services expanded to include manpower outsourcing, security guard services, cleaning staff supply, advertising, construction, and government procurement.

To better align with our growing operations and ensure structured service under one unified brand, in 2022 we officially incorporated and rebranded the company as Mugnee Service Limited.

Today, Mugnee Service Limited is recognized as a trusted multi-sectoral service provider in Bangladesh, serving both government and private institutions with professionalism, compliance, and commitment.
